

Permanent Magnet Support (Fixed Right Angle)

Cast Aluminum Body with Fixed Right Angle
Keeps Hands free During Welding Two Sheets
Usable for Lifting Small, Hot, Oily Jobs
Suitable for Soldering, Welding, Shearing, Etc.
Suitable for Marking and Inspection
Ideal for Machine Tool Butting/Reference Points

L	W	H		Mag Pull	Weight	Art No.
(mm)	(mm)	(mm)		(kg)	(kg)	
100	25	100		20	1	31121.01
150	50	150		25	2	31121.02
160		160		30	2.5	31121.03
200		200		40	4	31121.04
300		300		60	6	31121.05

Permanent Magnet Support (Adjustable Angle)

Simple Cast Aluminum Bodies
Keeps Hands free During Welding Two Sheets
Variable Angle Setting
Suitable for Soldering, Welding, Shearing, Etc.
Suitable for Marking and Inspection
Powerful Ferrite Magnets Hold Securely

L	W	H		Mag Pull	Weight	Art No.
(mm)	(mm)	(mm)		(kg)	(kg)	
105	105	36		25	1.5	31122.02
130	130	25		20	1	31122.01

Permanent Magnet Support (Multiple Angle)

Versotile Triangular Design
Magnets Are Always ON
Multiple Angles = 45°, 90°, 135°
Suitable for Soldering, Welding, Shearing, Etc.
Suitable for Marking and Inspection
Powerful Ferrite Magnets Hold Securely

L	W	H	Overall L	Mag Pull	Weight	Art No.
