

Permanent Magnet Part Holder (Right Angle)

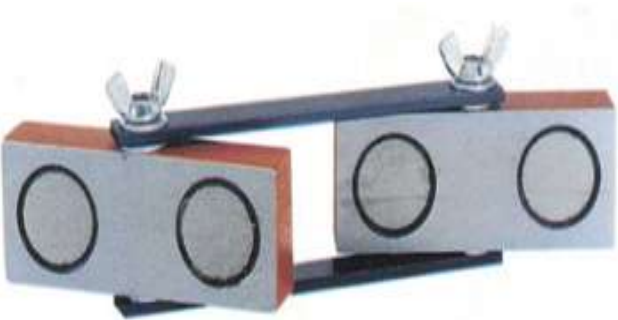

Precision Ground All Sides
Compact Size
Powerful Everlasting Ferrite Magnets
For Positioning Jobs at Right Angle
For Positioning Round Jobs
Suitable for Welding

L	W	H			Weight	Art No.
(mm)	(mm)	(mm)			(kg)	
152	41	44.5			1.4	31115.01
178	41	44.5			1.6	31115.02

Permanent Magnet Adjustable Link

Simple to Use
Made with Powerful AlNiCo Magnets
Can Work up to 150°C
Clamps Two Ferrous Parts at an Angle
Other Sizes on Request

L	W	H			Weight	Art No.
(mm)	(mm)	(mm)			(Kg)	
60	25	25			0.6	31123.01
100	40	20			1.5	31123.02

Switched Magnet Part Holder (Multiple Angle)

Precision Ground Multi Angle Holding Faces
Opposite Side Plane and Angle
Multiple Angles = 45°, 90°, 135°
Turned ON & OFF (Variable) with Rotation Knob
Activated on Six Sides
Suitable for Welding
