

Round Electro Magnetic Chuck (Radial)

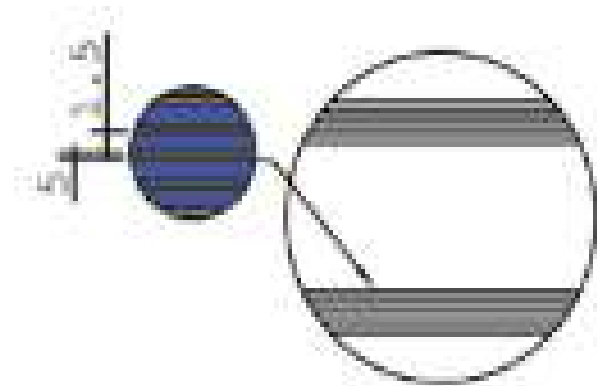

- All Metal Top Plate
- Power From All Poles Hold on Concentric Rings
- Watertight - Resistent to Coolant
- High Holding Power with Low Energy Consumed
- Threaded Holes on Back Side for Mounting
- Suitable for Lathes and Rotary Grinders

OD		No. of Poles	H	Art No.	Controller
(mm)			(mm)		
150		6	95	12202.01	92101.01
300		8		12202.02	
500		12		12202.03	
600		12		12202.04	
800		16		12202.05	
1000		18	115	12202.06	92101.02
1500		20		12202.07	
2000		24	120	12202.08	92101.03
2500		30		12202.09	92101.04

Round Electro Magnetic Chuck (Fine Linear)

- All Metal Laminated Top Plate
- High Rigidity & Robustness
- Watertight - Resistent to Coolant
- Top Plate is Machinable
- Threaded Holes on Back Side for Mounting
- Suitable for Lathes and Rotary Grinders

OD		Pole Pitch	H	Art No.	Controller
(mm)			(mm)		
200		6.5 (5+1.5)	100	12203.01	92101.01
300				12203.02	
450				12203.03	
500				12203.04	
600				12203.05	
700				12203.06
